

Join Myanmar's Leading Investors and Ecosystem Enablers to Support Innovation and Entrepreneurship

About Us

The Myanmar Private Equity & Venture Capital Association is an independent, non-profit membership organisation incorporated in May 2019. The association includes the leading private equity and venture capital firms operating in Myanmar, each of which has extensive experience working within Asia. These institutions have come together to highlight the importance of venture capital and private equity to the economy in support of entrepreneurship, innovation and overall economic development.

MPE&VCA unites the Myanmar investment ecosystem to support the formation of high-growth companies and ensure that the Myanmar market becomes a competitive and supportive environment for entrepreneurs.

What We've Been Working On Recently

The association offers unparalleled support to its members such as acting as an access point for those seeking investment capital; offering opportunities to network, collaborate and coordinate activities with members engaged in different sectors of the VC/PE community; and access to events and professional training.

Our Services

By joining the Association, you will be able to contribute to the development of Myanmar's growing and vibrant PE/VC community and to support entrepreneurship, innovation and overall economic development in Myanmar.

6 Trainings that covered Valuation, Corporate Governance, ESG Reporting, IFC Performance Standards, Legal: Term Sheet & NDAs.

10 Networking Events including virtual networking events. Our networking events brought together our members, PE/VC professionals from the regions that have interest in the Myanmar markets, founders and CEOs, local government and authorities, many NGOs and individuals that are in the ecosystem.

11 Webinars that discussed the trending topics and knowledge sharing by the industry experts and our associate members: PE/VC service providers.

We supported/collaborated **25+ External Events** including member's events, events related to PE/VC (or) benefited our members (or) highlighted our mission of supporting the innovation and entrepreneurial ecosystem. We also sent a number of our members to take part as the panelists and judges in the external events.

Our members have gained access to 20+ external events/training and **over US\$2,962 worth of Discounts for each member**. The events include Asia PE-VC Summit, Asian Financial Forum, Asia Private Equity Forum, trainings hosted by Dale Carnegie, HKVCA, MloD, PwC Myanmar, etc.

We have built relationships with MyanTrade (Ministry of Commerce, Myanmar), SECM, BritCham, EuroCham, AustCham, MHKCCI, American Embassy, DICA, UMFCCI, MYEA, MloD, ANDE, other PE/VC organisations abroad such as SVCA and HKVCA and many organisations / associations in the ecosystem.

Membership Benefits

The **MPE&VCA DealShare platform** is to be launched in Q1 2021. This platform will make it easier than ever to highlight investment opportunities to Myanmar's investment community, contributing to deal flow and increased investment in Myanmar.

Intelligence sharing - Member to receive access to stakeholders across the investment industry including government, business, and supporting organisations in Myanmar, as well as the broader networks of other VC/PE associations in the region.

Network building - We will continue to build valuable relationship with a broader group of parties interested in Myanmar, including other regional associations and prospective GPs and LPs.
